Welcome!

If you are visiting with us today please feel free to participate. We will sing and pray to the Lord and express our adoration and thanksgiving for all the blessings He freely gives. We will have an offering this morning and we do not want our visitors to feel obligated in any way. There is a nursery located through the double doors located to the left of the pulpit. A children's worship is provided for children ages 2 through 5 on the second floor which will be announced during our service. **Please turn your cell phone ringers off during our service.**

“ Our God is an Awesome God”

We sing this song often in our worship service and nothing we could profess would be a more true statement.

Our God is an awesome God, he reigns from Heaven above

With wisdom, power and Love, our God is an awesome God!!

We sing that, but do we really listen to what we are professing? Do we really consider the words as we sing? We really do serve and Awesome, Powerful and most of all LOVING God. Just consider for a moment, what God has done for US. Simply put, there is no measurement for God's greatness. Jeremiah 32:17 tells us that nothing is too hard for God.

He is omnipotent. He spoke the world into existence, and we are shown time and time again through the bible his power. How many times did he battle for his people? Time and again he saved them, but how quickly would they forget and fall back into evil ways. God is more powerful than sin so we should trust in the creator and not the creation.

He is omnipresent. He is everywhere and is always there to pick us up when we fall, to help us when we falter. To guide us when we are lost. He tells us that He will never leave us or forsake us. Jeremiah 1:5 tells us that God knew us before we were even formed in the womb. He has already seen the future while he was in the past. He was here before he created time.

He is omniscient. He is all knowing, and nothing we can do will hide our sins or shortcomings from him. He sees everything we do and don't do. We can't fluff up a report and hide our sinful nature from him. HE knows every single part of our existence, every corner of our heart. He calls us not by our sin but by our name. He wants what is best for us. We may not understand what that is all the time, but God puts us in certain positions because he knows it is for our benefit.

God created this world. Created man and everything in this universe. He did it with full knowledge of how we would sin and fall short of his expectations. But still, HE did it anyway, because he LOVED us that much. So, because he LOVED us that much, and wanted only what was best for us, he provided a plan of redemption and salvation. HE sent his ONE and ONLY SON as the perfect sacrifice. HE made HIM suffer and die so that we could have eternal LIFE. JESUS took our place! HE paid OUR debt. The crazy thing is, that HE did it WILLINGLY!! No matter what we have done. No matter how undeserving we are. We can, and will be forgiven, by OUR AWESOME GOD if we will follow that plan he has laid out for us

HE asks for so little, in return for the HUGE price that was paid. Next time we sing that song, think about the words. Think about the price that was paid. Think about how he did this any way even knowing how it would go. Think about how he has already told us, that in the end faithful Christians win. Think about what an AWESOME GOD HE is.

Have a great week, Mike

Dear Friends,

Cheri and I just returned from a fantastic trip to Zimbabwe and came back tremendously encouraged by what the Lord is doing there. On New Year's Day we kicked off the year right with the baptism of a young man in Venda at the Youth Exalting the Son (Y.E.S.) Rally.

The youth of this area are the future of God's kingdom, so we strive to teach and build the faith of these precious teens. We begin with our M.O.M. Project where we feed children weekly in several villages. As they grow, we feed them spiritually and are able to introduce them to Jesus. When they accept Him as their Savior, we are privileged to have a front row seat to their development as individuals and more importantly as Christians.

We had no idea what would come of this feeding program at its inception 11 years ago with a few feedings in remote villages, but we have certainly learned that if we keep following where God leads there is no limit to what will be accomplished. We ask for prayers for these young ones who are growing in the Lord, that they will continue to walk closely with him and share the good news and good works that have been shared with them.

The future is bright for the Christian community in Venda, Zimbabwe and southern Africa. God Bless, Dorian
