## Mission News

FROM ALLAN LOPEZ

Hello beloved brothers, greetings in Christ from Panama. Last Sunday, we were in Pintupo, another congregation of Kuna brothers. This congregation is within Lake Bayano. About 250 people were gathered, of which 180 were children and the rest were brothers of the Church. We honor our God all day long. Thank you once again for sharing with those most in need. We visited the village of Acanwila, we worshiped there. After the message about the gospel of Christ, there were 2 baptisms for the forgiveness of their sins and they will receive the Gift of the Holy Spirit. Everything was very beautiful, there were many children and visitors, in addition to the brothers. It is raining a lot in these parts, which makes travel within the rivers and lakes difficult. There was also general coexistence. Thank you brothers for your prayers and for your Christian generosity, may God multiply you in life and health.
