We are nearing the end of April and spring is in full force. What a great season God has given us of renewal, rebirth and beauty! Ecclesiastes 3 tells us there is a season for everything—a time to be born and a time to die; a time to plant and a time to harvest. And in Zechariah 10:1 we are told to ask the Lord for rain in the springtime. It is the Lord who sends the thunderstorms. He gives showers of rain to all people and the plants of the field.

Everywhere you look there are flowers and plants blooming and nurseries and flower businesses open. In Song of Solomon 2:11-12 it states the flowers appear on earth and the time of singing has come. And in Isaiah 61:11 we are told the earth brings forth its sprouts and a garden causes seeds to grow. James 5:7 speaks of the patience of the farmers as they wait for the early and late rains. The promise in Genesis 8:22 reminds us that as long as the earth remains seedtime and harvest will not cease.

Just this past week we observed Earth Day, a day set aside to focus on how we can maintain and make our planet a better place to live. Isaiah 40:22 states it is God who sits above the circle of the earth. We as Christians realize the earth is a wonderful place created by our God and given to us to maintain and enjoy. We also know that this time also gives us a time of renewal and rebirth.

As we were reminded as we observed Easter a few weeks ago we know that at some point we will experience an earthly death but through the resurrection of Jesus we have that same promise of renewal and rebirth. Freddy
