## NEWS FROM Costa Rica

I hope that you are enjoying the blessings of the Lord greatly. Here in Costa Rica, we have been badly affected by heavy rains for more than 22 days straight, throughout the country. In our province, Guanacaste, there have been floods in many areas. Thank God everyone at church is fine.

Our church group is motivated, carrying out activities such as bible studies in different homes of the brothers, the sisters have activities with other sisters from other surrounding area Churches.

Some repairs are being done to the Church building, such as the kitchen, because throughout the years it was been wearing out. And all these activities keep us very united.

You all are always in our prayers. We hope that this Thanksgiving celebration will be full of blessings together with your loved ones.

I am sending you some photos of the activities mentioned in this small report.

In Him,  
Your brother in Christ, Ricardo Alvarado.

Panama, November 21, 2024.

Beloved and remembered brothers in Christ, receive from all the brothers in Christ in Panama, a fraternal greeting in the Lord. Beloved, we are pleased to inform you that all the brothers remain firm in the Lord. Despite the bad weather, torrential rains and many floods, the Church continues to preach the gospel of Christ to all the Kuna peoples. There has been an outbreak of malaria and tuberculosis in all the indigenous groups in the area. The government and its professionals are in the area, trying to eradicate it. The access roads are not accessible, a lot of mud, etc. We look forward to summer, it begins on December 15. Beloved, our most sincere gratitude for that donation that you sent us, it will be of great help to us. Thank you very much to all the sisters and the church in general for sharing part of their blessings with us. Beloved, the Lord is closer, greetings. Almighty God bless us all, amen.
