Panama Report

Dear brothers in Christ, greetings. Beloved, we were pleased to visit congregations that we are helping with teachings, doctrines, evangelism. Classes for children and adults. Due to an illness, we were prohibited from visiting them in addition to the torrential rains in that area of the jungle. A small group of brothers went to spend time with them. Last Saturday we were there. They joined 125 or more children and approximately 40 adults. All were given classes. In addition, we brought clothes, food, gifts for the children. Due to heavy downpours we had to leave. It rained two days in a row, we had to return home. As soon as it stops raining we will return, God willing. Brothers, thank you for your prayers for the work and for us, so that we do not faint.
